

SENATE RESOLUTION NO. 3

INTRODUCED BY KITZENBERG

A RESOLUTION OF THE SENATE OF THE STATE OF MONTANA URGING THE MONTANA DEPARTMENT OF TRANSPORTATION TO MAKE SPECIFIED IMPROVEMENTS ON THE ROAD FROM SCOBIEY TO WOLF POINT.

WHEREAS, portions of the road from Scobey to Wolf Point have had no major improvements made since 1945; and

WHEREAS, sharp turns and narrow width make portions of this road quite dangerous; and

WHEREAS, because of the closure of a local grain elevator, farmers have had to truck approximately 78 semitrailers of grain on this road each week; and

WHEREAS, this road, which was not originally engineered to support such heavy traffic, is now being even more dangerously degraded.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE STATE OF MONTANA:

That the Department of Transportation BE ENCOURAGED TO improve portions of the road between Scobey and Wolf Point by widening it to meet standards for a two-lane road and reengineering it to reduce its dangerous sharp turns.
